

Corporation of the Town of Hawkesbury

Recommendation to Council

N° : 2019_REC_43

File N°:

Date of meeting: May 27, 2019

Subject: Town Supported Events

Recommendation

Whereas the Town of Hawkesbury hosts or supports numerous events in the community, and;

Whereas the Town has a very engaged population that attends these events and often calls upon Hawkesbury to host or support more events, and;

Whereas public events require the support of the Town of Hawkesbury's administration by ensuring that all of the necessary permits, permissions and insurances are in place for the protection of the organizer(s), participants, residents and other key stakeholders.

Be it resolved that the "Festirive" Western Festival, the End of Summer Party and the Golf Tournament to support youth activities, organized by municipal councillors be added to the events supported by the Town of Hawkesbury and recommended in document 2019_REC_43.

Explanation, history, context

Due to requests from the public, many community events have been added to the municipal calendar in recent years. Members of council have undertaken the organization of some of these events. In order to satisfy insurance, health and safety as well as permit requirements, a resolution from council demonstrating their support of these events has become necessary.

In subsequent years, beginning in 2020, a comprehensive list of events hosted or supported by the Town of Hawkesbury will be provided to council for approval.

Details of the events to be approved:

Name	Location	Date
Golf Tournament	La Cité and Complex	June 8, 2019
“Festirive” Western Festival	Place des Pionniers	July 27, 2019
End of Summer Party	Complex	August 23, 2019

Options/alternatives

1. Request that local social groups take on the responsibilities of the abovementioned events.

Impact on budget

None

Relevant studies

None
